

QUALITY DEER MANAGEMENT SEASON/DAILY LIMITS

The season limit on BAFB is five deer, four antlerless maximum and one buck. However, if your first buck is at least 3.5 years old, you will be allowed to harvest a second legal “Bonus Buck”.

The daily limit is one antlerless and one antlered deer.

BUCKS LEGAL TO HARVEST

1) Antlered buck with at least four points on one side of the antlers, or 13” minimum inside spread, or at least 2.5 years old;

2) Spike, as long as BOTH antler beams are less than 3 inches in length;

3) Button Buck (count as antlerless as long as no hardened antler is present)

- All points must be a minimum of 1 inch in length to be counted.
